## Long Arm Quilting

Holiday season is coming up fast! If you're considering any Quilts as a gift you will want to hurry before the rest of the crowd. We offer a range of battings and quilting patterns, and we do custom quilting too! So don't wait to long!!!

## Dropping your Quilt off

Here are some simple tips that help us when quilting your quilt.

1. Iron and press your quilt top
2. Square up your quilt back
3. Sew ¼" around the quilt top
4. Do not pin or spray together  
-If you are in a rush for your quilt we can get it done, but there's a rush fee.
