CREATIVE IDEAS FOR EMBROIDERY

Dear Customers, (you all feel like family)

I'd like to thank everyone for their well wishes this summer, as most know I had gotten very sick while on a camping trip. It then landed me in the hospital twice, not fun, this put me so far behind in store, that we were unable to start classes in September.

Then we lost Elizabeth for 3 weeks due to family emergency. It has been a trying time on the home front, but we have picked up ourselves and are moving forward, all are well for now.

We will have several classes starting in January, due to holidays we felt it better to wait to move forward.

Heather has been a super busy minding the store, quilting and sewing store samples they look great.

Our Mastery Classes are up and going so if you are back in town, done gardening, pack up your machine and come join the fun.

See you all back at sewing!!

Casey
